*Proposed Bye-Law for the removal of glandered horses beyond Municipal Limits.*

6. Proposed Bye-Law for the removal of glandered horses, &c., beyond Municipal limits.

All parties whether residing temporarily or otherwise within Municipal limits, who may have any of their horses or other cattle belonging to them attacked with glanders, or any disease, epidemic, or otherwise, of a dangerous or infectious character, will, on receipt of notice from the President, remove them at once beyond Municipal limits. Any persons having horses attacked with glanders or any other epidemic disease not complying with the above, will render themselves liable, on conviction before a Magistrate, to a penalty not exceeding one hundred rupees for the first, and after a first conviction rupees two hundred for the second and each succeeding offence.

*Resolved.*—That, instead of the Bye-Law proposed, the Chief Commissioner be moved to adopt measures to introduce Madras Act No. II of 1866 into the Province of Mysore, or to introduce the Act into the Town and Cantonment of Bangalore only, as the Chief Commissioner may think fit.

*Chief Commissioner's remarks, viz., that Bye-Law No. 2—48 will remain inoperative in the absence of any penalty for its breach.*

7. Read letter No. 934—177, dated 6th instant, from the Secretary to the Chief Commissioner, General Department, returning the proposed Bye-Law No. 2—48, for the prohibition of persons afflicted with loathsome or infectious disease from vending articles of food in bazars, and pointing out that the law in question will remain inoperative in the absence of any penalty for its breach.

*Resolved.*—That the addition to the proposed Bye-Law, as suggested by the Chief Commissioner, be made, and which Bye-Law will now therefore read as under.

No. 2—48.—Persons afflicted with loathsome or infectious disease are prohibited from vending or exposing for sale any articles of food, either in the markets or bazars of the Cantonment, under a penalty, on conviction before a Magistrate, to a fine not exceeding one rupee for the first and a like sum for each succeeding offence.

*Quality of the Beer sold at Bangalore.*

8. Read letter No. 89, dated 6th May 1874, from the Commissioner, Nundydroog Division, forwarding for an expression of opinion, copy of a communication from the Secretary to the Chief Commissioner, relating to the quality of the beer sold at Bangalore.

*Establishment of an Asylum at Bangalore for incurables.*

*Resolution.*—The Board consider that a separate institution for the reception of incurables is unnecessary, as they believe that the present Friend-in-need Society is the most fitting and proper refuge for this unfortunate class. It appears to the Board that should the present premises be found not to be sufficiently large, no difficulty would be experienced in extending them, as also in increasing the present subordinate establishment to aid these objects, as also to assist in defraying the extra expense that would occur for the increased number of inmates, the Board are prepared with the sanction of the Chief Commissioner to allot from their funds an annual grant-in-aid to the institution of rupees 250.

*Resolution.*—The above letter having been read, the Board would beg respectfully to submit that the grounds on which the proposed allowance to the Sar Amin and the Supervisor of the Distillery was sanctioned were that they considered that as the duties these officials were called on to perform entailed a large amount of work and trouble foreign to their regular duties, it was due to them that they should receive some consideration for their services.
